## THE KEY IS IN YOUR HANDS

Because repayments are so flexible, Alphera Prestige Purchase offers business customers the freedom of choice that a dynamic, fluid lifestyle demands. Whether you're buying a new or used vehicle, Alphera Prestige Purchase affords you substantial advantages and financial benefits. If you use your vehicle for business purposes, interest charges and depreciation on the vehicle may be tax-deductible. The possibilities of life become truly exhilarating – and the road opens up – when you take advantage of Alphera Prestige Purchase. Start your engines....

## SIMPLE, SURPRISINGLY

Enhance your lifestyle with fixed repayments that make budgeting easier because monthly repayments are based on the amount you wish to finance, less the final lump-sum payment at the end of the hiring period. That means all your costs are known from the outset and unlike so much else in business there are no surprises – unless you count the sheer simplicity of it all.

Here's the Executive Summary: approved applicants can enjoy fixed term repayments with flexible contract terms, from 24 to 60 months; nominate the final lump-sum payment on your contract and give yourself even more flexibility by tailoring the monthly repayment that suits you best; your deposit on the contract can be placed as cash, or by using the equity in your current vehicle as a trade-in; Alphera Prestige Purchase is designed to allow you to save your capital and use it for other investments or lifestyle choices.
